

# NYS Chemitech(S) Company Profile

NAME	NYS CHEMITECH(S) PTE LTD
ADDRESS	102E Pasir Panjang Rd #02-02 Citi Link Warehouse Complex Singapore 118529 TEL: 65-6275-9112 FAX: 65-6275-9067 URL: <a href="http://www.nishimura-ct.co.jp">http://www.nishimura-ct.co.jp</a>
MANAGING DIRECTOR	Hisashi Ito
ESTABLISHMENT	January 1996
RECOGNITION	ISO 9001, 14001, Armed Explosives Act, HS License, Transport Approval
PARENT COMPANY	NISHIMURA CHEMITECH Co., Ltd. Osamu Nishimura Representative Director, President

5th Edition 14th Jan. '21

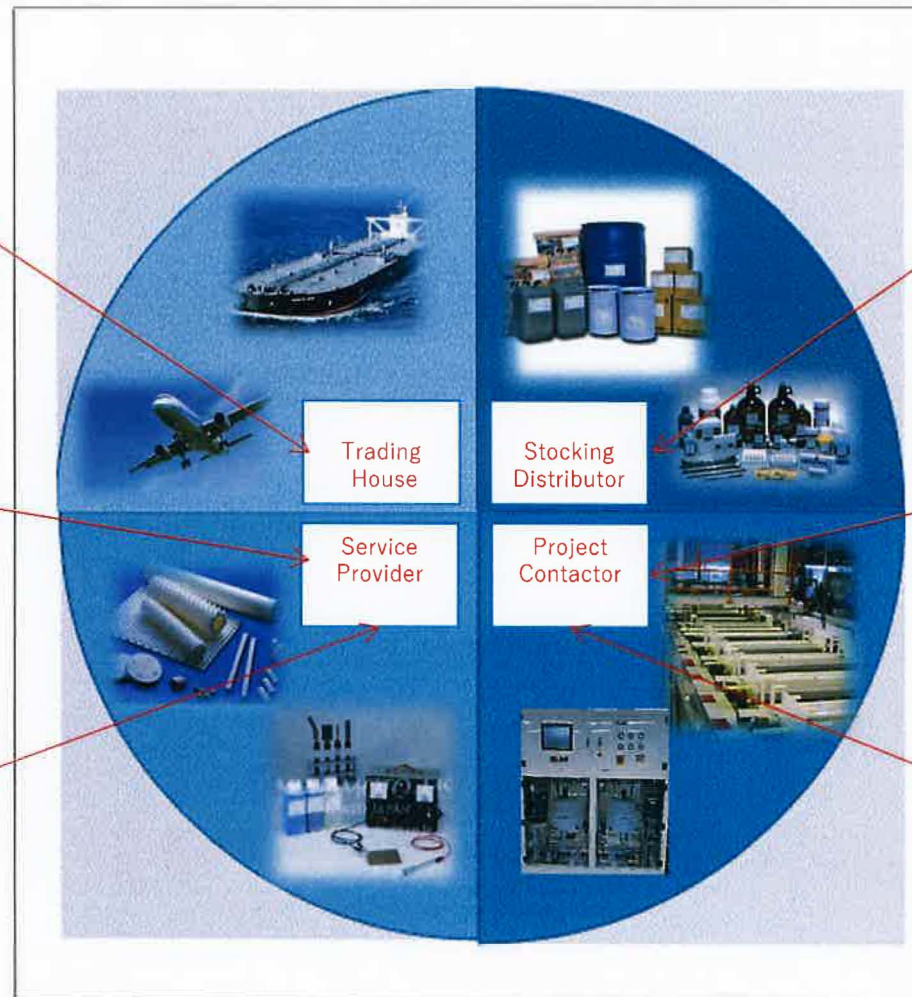

7th Edition 5th Jan. '22

# NYS Chemitech(S) Four Functions

**Trade in between**  
\*Japan, Malaysia, Vietnam  
Indonesia, Philippines,  
\*China, Taiwan

**Supply Consumables**  
\*Spare Parts  
\*Production Consumables  
\*Analytical Instrument  
\*Reagent

**Engineering Services**  
\*Calibration Rectifier  
\*Periodic Check-Up  
\*Overhaul, Modification

**2 Warehouses Enabling**  
\*JIT Program for Chemical  
\*Keeping DG Chemicals  
\*Consignment Inventory

**In Alliance with SI  
For Wet-Process Equipment**  
\*Plating Machinery  
\*WWT System  
\*On-Line Analyzer

**Supply Equipment  
For Wafer-Fabrication**  
\*Drum Cabinet  
\*Slurry Delivery Devices

# NYS Chemitech(S) What we can offer

## Sales by Products 2016 ~ 2018

Sales by Product 2016

- General Industrial Chemical
- Application Specific Chemical
- Equipment
- General Metal
- Consumables
- Analytical/Reagent
- Maintenance/Check up
- Logistics
- Others

Sales by Product 2018

- General Industrial Chemical
- Application Specific Chemical
- Equipment
- General Metal
- Consumables
- Analytical/Reagent
- Maintenance/Check up
- Logistics
- Others

”Stocking Distributor” to ”Function of **Project Conductor**”

# The Best Selection for Mission Critical Application

Design & manufacturing of

## Slurry/Chemical Delivery Systems

### — OUR MISSION

1. To be an engineering group who can create and propose new technologies and high value-added equipment
2. To design and manufacture original equipment based on the concept of "Face and solve problems that arise on site" and to contribute to tackling such users' challenges as "cost reduction", "quality improvement", "longer facility life" and "automation"

# Selection Guide

**Slurry Dilution & Delivery System** >

**Valve Box** >

**Local Supply** >

**Central Supply** >

**Valve Box** >

**Local Supply** >

**DC (Undiluted Chemical)**

**Chemical Supply (Custom)**

**POU Mixing System Under Development**

# The Best Selection for Wholly Automated Drum Cabinet

Automated De-Capping, Tube insertion, Agitation, Pump up,  
Cleaning, Solution delivery, Applicable to AGV operation

# The Best Selection for Wholly Automated Drum Cabinet

## Automatic De-Capping Process

Precision position captured by Image-Sensor

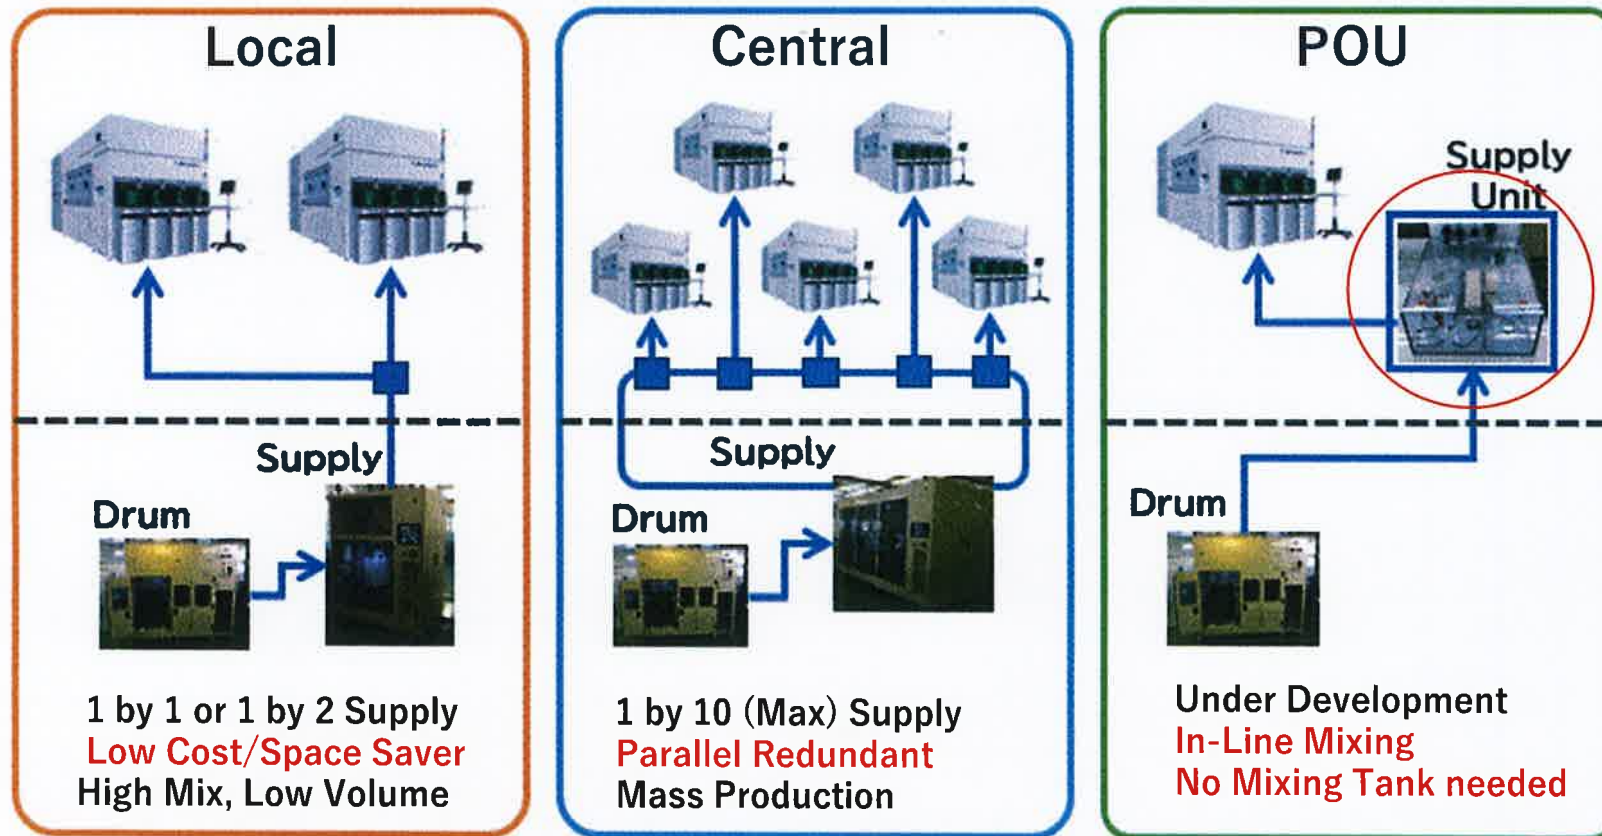

## Automatic Setting-Up Process

Wholly automated tube insertion (chemical supply tube, agitator shaft)

# Product by System

## System Egrg Team offers Custom Design

## Forefront Multi Mixing & Supply System

Precision Mixing at nearest to CMP (POU)  
DIW, Slurry(Undiluted), Chemical(H<sub>2</sub>O<sub>2</sub>)

As small as 2pcs of grating panel yet eliminates Mixing Tank.

# Forefront Multi Mixing & Supply System

Adjustable concentration even while supplying.  
Always consistent **“Pure Slurry as your recipe”**.  
Free from Expiration date & Deterioration over time

## <Flow Summary>
